MCSO Ag Watch Program

At VINTAGE FARM

COLLEGE of CENTRAL FLORIDA

MAKE CONNECTIONS - TOUR THE FARM - ENTER OHA SWEEPSTAKES

Equine Jobs for the Future

The College of Central Florida will host the OHA Monthly Connections Event at its Vintage Farm Campus. The college was well represented at the recent Ocala Horse Alliance Summit where several faculty and administrators shared their perspective on the future of the equine workforce. Additionally, CF will become an affiliate in the upcoming Black Stallion Reading Project, which will engage all fourth-grade students in Marion County Schools.

At the Connections Event, presenters will include Dean of Business, Technology and Career and Technical Education Dr. Rob Wolf, Equine Program Manager Dr. Judy Downer, and Agribusiness Program Manager Mr. Tavis Douglass. This is a great opportunity to learn about CF's educational programs at Vintage Farm. We will also hear from guest speaker Deputy Sheriff Tim Ogletree of the Marion Sheriff's Office Ag Watch Program.

THERE WILL BE DELICIOUS FOOD & BEVERAGES Served.
